

## POSITION OPPORTUNITY

### *INCLUSION SUPPORT FACILITATOR*

Would you like to make difference in the lives of Orange County's most vulnerable children?

As a non-profit organization, Orange County Head Start, Inc. (OCHS) serves preschoolers, infants, toddlers, pregnant women and families throughout Orange County, including families on public assistance, children with disabilities, from homeless and foster families, and teen parents. OCHS's programs and services promote school readiness, early reading, science, mathematics, social skills and physical development. Through the additional support of comprehensive services, including health, nutrition, mental health and family partnership building, parents are empowered as leaders and advocates for their children's education, families' success, and betterment of the communities.

Under general supervision of the Inclusion Manager, Inclusion Support Facilitators (ISF) plan, evaluate, and implement appropriate educational strategies in classroom activities for children with developmental differences and behaviors that impede successful inclusion in the classroom. As a part of the implementation of strategies, ISFs coach teaching staff in the appropriate use of support strategies. ISFs also work with families to support them through the process of having their child evaluated for appropriate support services. ISFs have the opportunity to interact with various community agencies including LEAs, Regional Center of Orange County, and other early childhood developmental service providers in the county.

#### **Requirements:**

Bachelor degree in early childhood education, child development, psychology, special education or related field. Minimum of 5 years' experience working in an early childhood setting directly with children birth to 5 years-old. Training in Behavior Analysis and/or experience with Autism preferred. Knowledge of early childhood development and social/emotional development milestones in children 0-5 years-old. Specific knowledge of developmental, physical and psychological challenges in preschool children. Strong oral and written communication skills. Bilingual Spanish and/or Vietnamese preferred.

We offer a salary range of \$25.81 to \$26.84 per hour and excellent benefits in addition to the opportunity to serve families and children in Orange County.
